RE: Reference for John LAMPRECHT

Dear sir or madam,

John LAMPRECHT worked for Green Wave Automation from 14 Feb 2019, till 30 June 2019.

He was employed as a temporary Receptionist for Green Wave Group house, for purposes of maternity leave cover. His duties included, amongst answering the telephone, general filing and accepting deliveries, as well as administrative assistance to the Office Manager and the Directors.

In addition to his daily duties, he took on project-based roles which included assistance with programming, as well as graphical and database engineering, some of which are still in use today.

He left us to start his University studies in Canada in July 2019.

We were very pleased with his work and his work ethic and would certainly consider employing him in a full-time capacity should the opportunity arise in the future.

I would be happy to provide a verbal reference should you require one. My contact details are as follows:-

Tel: +27(0)11 465 3149 ext 9 (between 08h30 and 13h00 on weekdays, South African Time)
